This certificate shall remain the property of RINA and all copies or reproduction of this shall be returned or destroyed if requested by RINA

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC-certified (or FSC-Controlled Wood). Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC claim is clearly stated on invoices and shipping documents

The validity of this certificate is dependent on an annual/six monthly audit and on a complete review, every five years, of the chain of custody

The use and validity of this certificate are subject to compliance with the RINA document: Rules for the Certification of Chain of Custody of forest products
